KICKIN' SOUNDTRACK

An almost fatal accident could have forced the world's most famous cop into early retirement. But with the miracle of modern surgery and the very latest advancements in bionic engineering, he's back on the payroll with a few added improvements! Join Sergeant Seymour's latest block bustin' ROBOT COP movie. Splat the villians in over 30 amazing action packed levels. Seymour's latest film sees him starring in a grim city of the future.... Gang warfare is rife. The streets are dangerous places. Even the toughest of cops find them a nightmare. Enter Sergeant Seymour Robot Cop.
